

Welcome to TeamSideline.com

Welcome This is a one page Sheet to tell you how the TeamSideline online Auto Coach Scoring Process works.

Scoring With Two Coaches

| | |
|----------|--|
| 1 | Game ends, so TeamSideline automatically sends an Auto Coach Scoring email to the Coach of each Team. |
| 2 | Coach clicks the Score This Game link in the email to display a Score This Game page in the League web site. |
| 3 | On the Score This Game page, the Coach inputs the Score and clicks the Score button. |
| 4 | That's it -- you're done -- the Final Score will be posted when both coaches have submitted scores. |

Different Coach Scores

| | |
|----------|--|
| ! | <p>Sometimes the first Coach scores a game and your score (as the second Coach entering a score) is different than what the first Coach entered.</p> <ul style="list-style-type: none"> • If this happens, the Score This Game page displays the contact information for the other Coach. • If you made a mistake, simply correct your score and click the Score button. • If the first Coach made a mistake or you don't agree, contact your League Scorekeeper. |

Mid-Season Division Changes

| | |
|----------|--|
| ! | <p>Even though your League TeamSideline Site can be configured to hide Standings and Scores for younger age groups, Auto Coach Scoring can still be used for these age groups so your League has stats when using the TeamSideline Mid-Season Division Change process.</p> |
